Tales From Silver City's Dark Side!

When I arrived at the Mission door, Nancy was at it again. She was tearing open each bag of donations that someone had left during the night and throwing them over her shoulder into the street. My blood immediately reached the boiling point as I saw the mess I was going to have to clean up this morning!

Patience, I told myself as I said a little prayer realizing that I should be thankful for our generous community and putting my focus back on Christ and the people we are trying to serve. Are we perfect at the Mission-*no way, no how*. That is why I go to church . . . usually :)

Stories

My story is simple, but you won't like it. I have a job and I make \$9 an hour. But one-third of what I have goes to the childcare center and nearly half goes to rent. The rest goes to food and regular bills. I got five kids. I got no other money. You can't make it on that. It's just plain and simple. I got skills. I went to school and learned to be a cook. I work good restaurants. I did what I was supposed to do. You just can't have kids and make it on \$9 an hour. The only way I make it is with help from the Mission.

Where's The Beef?

Shayne Montoya and his son Alex from Chino

Thanks to some generous donors, we were able to help 25 needy families have their own Thanksgiving Feast and stock up on meat for the soup kitchen.

A big thanks to: The Chino Truck Shop and mechanics who donated this basket of turkeys and more than 500 pounds of food; The members of the Silver City Golf Course for their food drive.

Rodney Humphrey and family of HEI for their donation of a pig; Mr. John Brack and Freeport-McMoran for a donation of a pig and beef; Maria of Albertson's Deli for their donation of 15 turkey baskets.

Our daily donors, Pizza Hut, Wal-Mart and Albertsons and all of the very many people like You who brought in food, gloves, jackets and blankets for this Christmas season. God Bless!

The Soup Kitchen

With the onset of colder weather, the soup kitchen is a hopping place with people coming in to warm up and get some coffee and breakfast.

Bible study begin at 9:30am with Pastor Shane and our life skills classes at 10:30am are always a hit!

Feel free to drop in or go to silvercitygospelmission.org/school for our class schedule.

Volunteer Profile

Meet Meg Topmiller. Meg has helped at the Mission for many years and many of you will recognize her smiling face. She is a constant source of encouragement to all of us at the Mission. Her solid-as-a-rock faith is what has kept this place going through some difficult times. **Thank you!**

A Greenhouse For Susie

Susie Gonzales was playing in the warm earth at her mothers feet. Consuelo wiped the sweat from her brow and smiled at her young daughter-the first smile in a long time.

Ever since she had come to the Sierra House Women and Children's Shelter, things had started looking up. She was glad to be able to have some shelter; The 1975 Pontiac they had been living in was no place to raise a kid. And the hungry crying that came every evening had finally stopped.

But the best part of her day, was when she was able to spend her allotted time in the new greenhouse. She loved the way the sun warmed her battered and frail body and the way the earth felt between her toes.

She bit into the ripe tomato and as the juice trickled down her chin, she felt a ray of hope. Hope that things would get better. Hope that Susie would have enough to eat this winter. And hope that God had finally heard her prayers.

And thanks to You, Consuelo and Susie now have that ray of hope!

We have purchased a greenhouse kit and we will soon have a spot to raise fresh produce for our soup kitchen and the Sierra House while teaching some of our guests gardening skills.

The Sierra House is located next door to the Mission and is our mid-term facility for homeless women with or without children.

If you or someone you know needs a transitional group home, please drop by the Mission to fill out an application, talk to manager Jeanna Pace or visit our website at silveritygospelmission.org/the-sierra-house for more information.

Can you make a difference in the fight against hunger and cold in Silver City?

YOU Can! The answer lies in changing our mindsets back into being a community again. A real community where neighbors help neighbors and where our churches, civic organizations and groups help those in need, instead of relying on a large bureaucracy. We will also need to reach out and motivate, educate and provide hope to those in the most need.

I challenge YOU to join our Team and make a courageous stand in the fight against darkness TODAY!

A Word From Our President

Greetings: I am the President of the Board for the Silver City Gospel Mission and this month I would like to share a quote from Mother Teresa:

"Never worry about numbers.
Help one person at a time,
and always start with
the person nearest you."

The mission helps one person at a time. The Christmas season is approaching. **JESUS IS THE REASON FOR THE SEASON!** Be bold and share your faith with others. Come be a part of helping people in our community at the Mission.

Teaching Men To Fish

We have partnerships with local courts and organizations (like TANF) who send us individuals to perform community service work in lieu of fines or cash. Many times, these individuals are a joy to have and even come back to volunteer after their hours are complete.

We try and treat each individual with love and respect and teach them a thing or two through our *self-sufficiency school*. You can read more about our community service program on our website at silvercitygospelmission.org/community-service and our self-sufficiency school at silvercitygospelmission.org/school
